

Casting/ Bracing vs Early Surgery

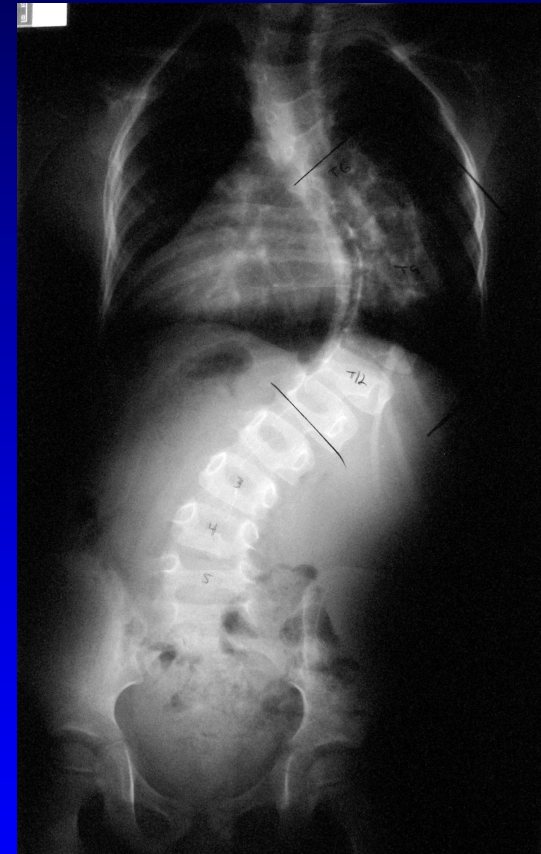

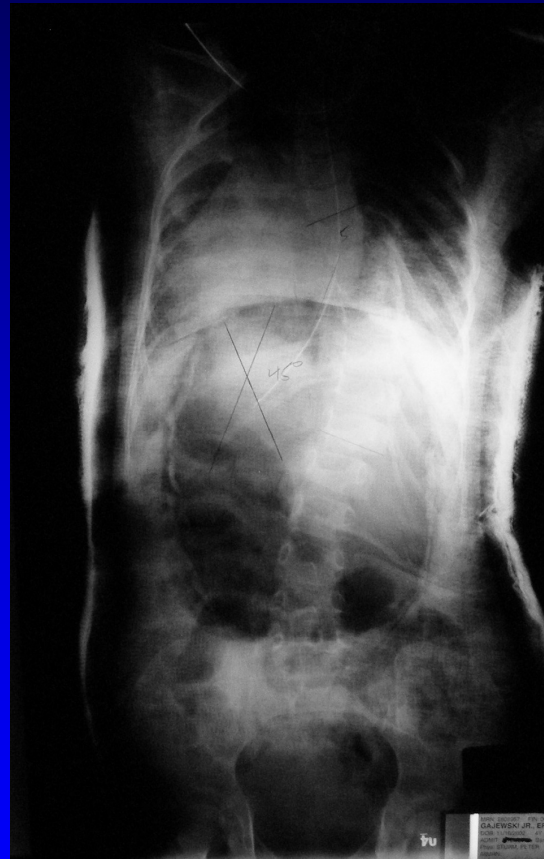

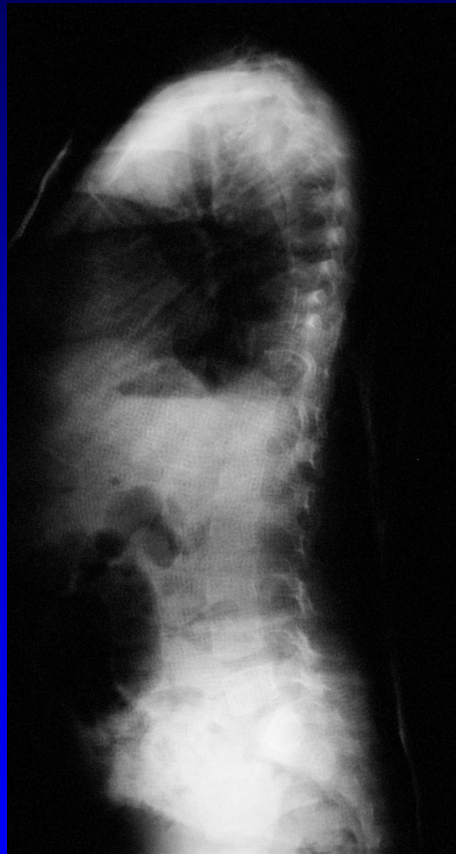

Dr. J Dubousset

Dr. C Johnston

Dr. D Skaggs

Dr. D Marks

Idiopathic Infantile

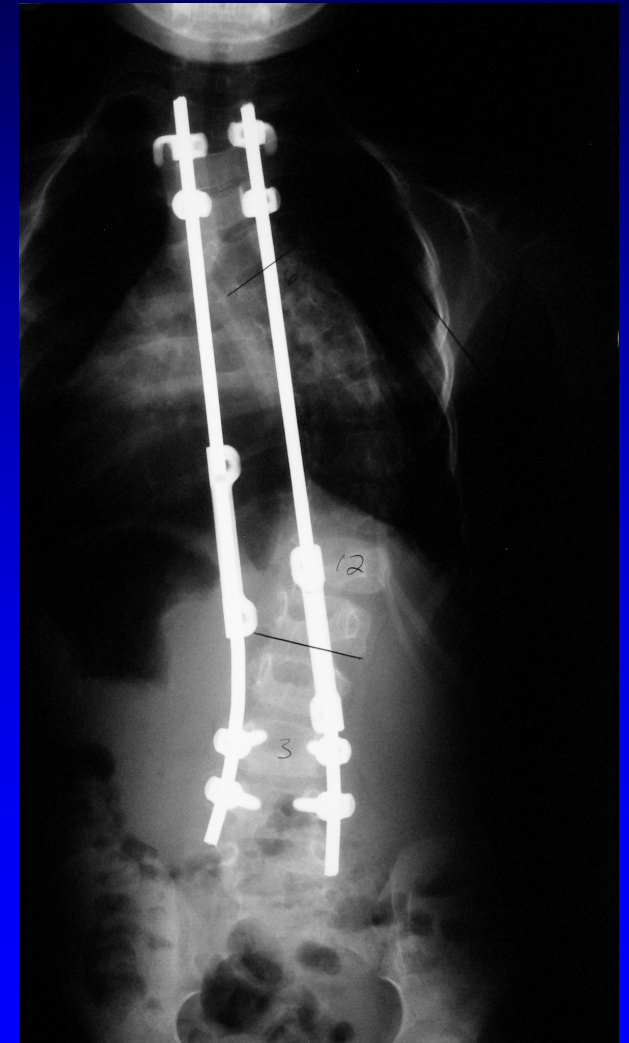

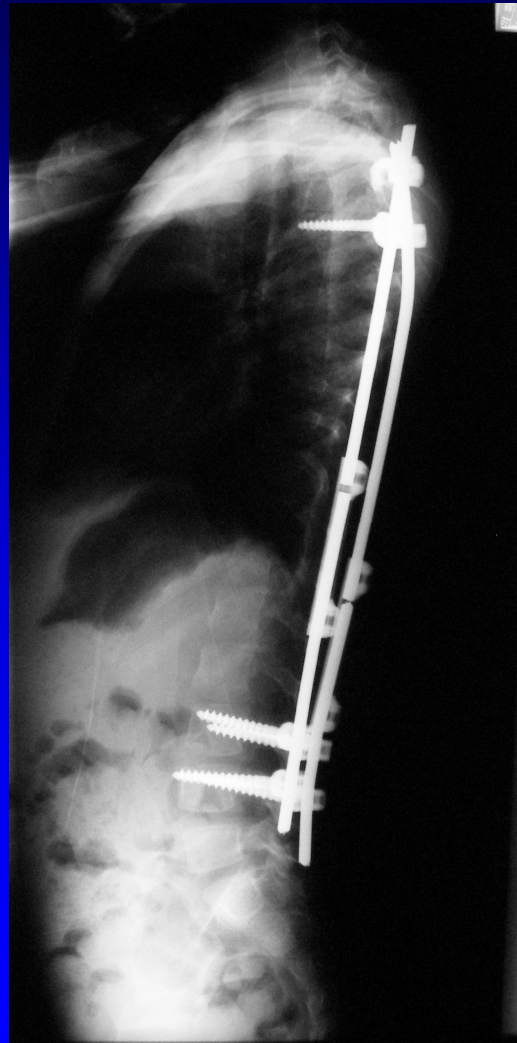

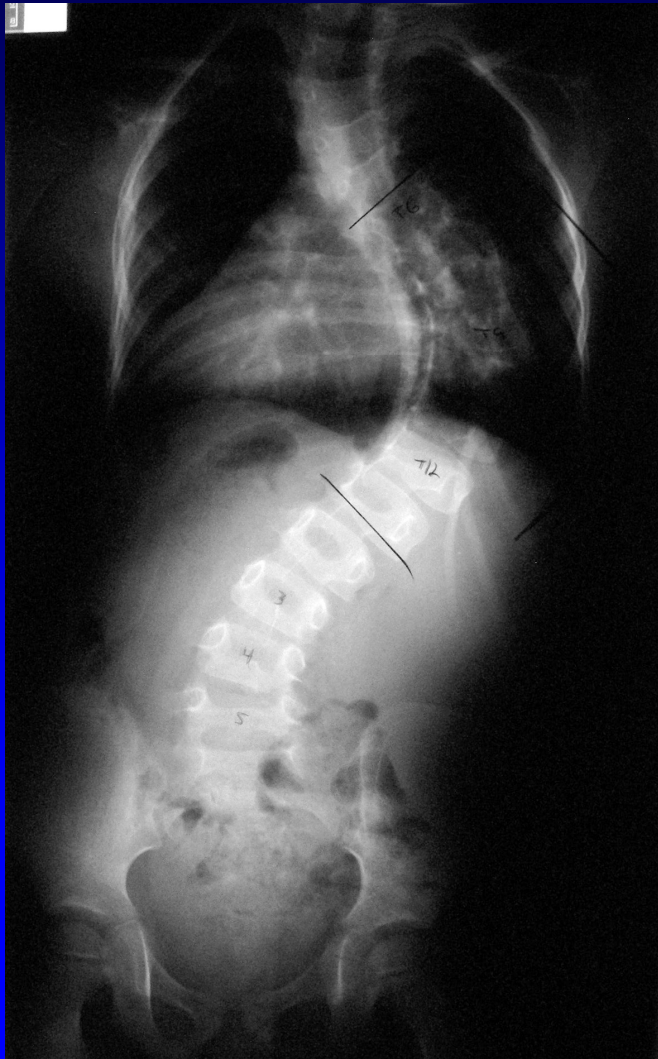

**4+2 yo – previous brace
68 degrees**

**First cast
40 degrees**

**6+4 yo
66 in cast
88 out**

Growing Rod 6.5 years

Questions ?

- Can early casting/bracing avert surgery?
- Can early casting/bracing postpone surgery, and improve final outcome ?
